This beautiful vestment set features a double row of Galloon trim around the base of the Phelonion and the Sticharion. The Galloon Trim is used to make the crosses throughout the vestment with the exception of the cross on the Phelonion which is an optional ornate gold and silver cross. There are many optional elaborate crosses and medallions available, refer to our **Options Catalog** for more information. All work is custom made to order, special requests are always welcomed. The optional matching Eucharistic Veils are shown above as the 3rd picture on the bottom.
